

# PRACTICE FIELD REQUEST FORM

High School: \_\_\_\_\_

Band Director: \_\_\_\_\_ Phone: \_\_\_\_\_

Yes, we would like to schedule a half hour practice time on field (P1).

## Practice Field:

The practice field (P1) is a lower grass field located in the back of the school. This area is designated with yard markers and provided for bands that would like to practice their field show. **Due to construction concerns around our campus, this field will only be available upon request.** Once we receive your request, you will be notified of your practice field times. They generally fall 1 ½ hours before your warm up times, for approximately ½ an hour.

As you can see on the attached map, there are two warm up areas near the practice field, so scheduling this time is a primary concern to ensure the flow of bands during warm-ups.

**Please return this questionnaire no later than October 14.**
